ORDER:

In the letter 3rd read above, the Director General, State Disaster Response and Fire Services, Andhra Pradesh has stated that the Vice President of Vellore Institute of Technology – AP (VIT-AP), Ainavolu, Amaravathi, Guntur District has requested for Fire approval to all academic blocks upto 45 Mts. height for each block, so that they can introduce many more academic programmes, thereby can admit more students, in order to achieve the students number target, in the years to come.

2. In the letter 2nd read above, the Vellore Institute of Technology – AP (VIT-AP), Ainavolu, Amaravathi, Guntur management informed that the buildings are being constructed after proper soil test by a competent agency and after approval of APCRDA with pile foundation upto 100ft. Contractors are highly experienced at national level and taking structural design review. VIT has assured that all necessary precautions will be taken. They are taking every care in building the institution which will be part in the growth of the capital city.

3. The Government, after careful examination of the entire matter, hereby permit the Vellore Institute of Technology-(VIT-AP), Ainavolu, Amaravathi, Guntur District to construct all its academic blocks Üpto 45 Mts height, subject to taking all necessary precautions for the safety of the structure and the students.

(P.T.O)

4. The Director General, State Disaster Response and Fire Services, Andhra Pradesh, Vijayawada shall take necessary action accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
